Subject: Application for the job offer – Sponsorship opportunity for work permit

Dear Sir or Madam,

Holding a qualification in versatile mechanics and a diploma as an executive secretary technician, I have gained diverse experience in customer service, reception, secretarial work, as well as light mechanics and teaching. Fully trilingual (Arabic, French, and English), I am motivated to join your team in Canada and contribute effectively to your operations.

In my recent position as a customer service representative for Canadian clients, I developed my intercultural communication skills and ability to manage customer requests while adhering to quality and confidentiality standards. My experiences in Saudi Arabia and Morocco have strengthened my organizational skills, autonomy, and ability to work collaboratively in multicultural environments.

Convinced that my versatile profile and interpersonal skills meet your needs, I would be honored to bring my expertise to your company. I am also willing to undertake any additional training necessary for a smooth integration.

Thank you in advance for considering my application. I remain at your disposal for an interview at your convenience to further discuss my motivation.

Yours sincerely,
Aziza LOUHA
